

# AIA Minnesota

A Society of The American Institute of Architects

Dear Prospective Member,

Thank you for your interest in joining AIA Minnesota!

Allied membership is a local membership in both the state organization (AIA Minnesota) and a local chapter (Minneapolis, St. Paul, or Northern Minnesota). Membership benefits include subscriptions to *Architecture Minnesota* magazine and our newsletter *Matrix*, as well as discounts on AIA Contract Documents, continuing education and professional development programs.

You may ask, "What is an Allied Membership?" This is an individual who is in a field related to the practice of architecture. Included in this group are engineers, planners, interior designers, graphic designers, professionals in government, education, industry, research, landscape architects, journalism and/or others who will provide a meaningful contribution by virtue of their employment, profession, or interest.

Your application will be processed within two to four weeks of receipt at our office. You will then begin to receive mailings that will include invitations to your chapter's programs, such as luncheon meetings, building tours, presentations and annual events. Each chapter welcomes your presence at these programs, and it is a great way to meet other professionals in the building industry.

Along with the application, a committee description sheet is enclosed. Please take a moment to consider joining one of AIA Minnesota's active committees. Some committees that strongly benefit from Allied member participation include the BIM Breakfast Club, Building Enclosure Council, Convention, Historic Resources and Public Awareness. Please note that some committees have limited space for Allied members, please contact the staff liaison to determine availability for the following committees: Committee on Design, Council of Firms, Emerging Professionals, Government Affairs, Intern Development Program, Residential Architects and Small Firm Practice. Additional committee information can be found on our website, [www.aia-mn.org](http://www.aia-mn.org).

Allied membership dues are \$115.00 for the first year. First year dues are to be included with your completed application. After that, you will be invoiced for your dues payment.

Please call our office if we can be of assistance to you while filling out the application. Do not forget to check out our website for the latest information, upcoming events and organization news. Go to [www.aia-mn.org](http://www.aia-mn.org)!

Sincerely,

Amber L. Allardyce  
Membership Director

## Allied Individual Membership Application

Created to promote communications among all members of the design and construction team, individual allied membership is open to engineers, planners, landscape architects, artists, and those in government, education, journalism, manufacturing, industry, and other fields allied to architecture. Individuals must not be otherwise eligible for membership in AIA Minnesota.
