Minneapolis, MN – Seven 2016 AIA Minnesota Honor Awards were announced at the 82nd AIA Minnesota Annual Convention and Exhibition, on Thursday, November 10. The Honor Awards jury, composed of principals from three internationally recognized architecture firms, reviewed 79 submissions – all from Minnesota architecture firms. Submissions were reviewed within five categories: Architecture, Interiors, Restoration & Renovation, Urban Design & Master Planning, and Small Project.

AIA Minnesota Honor Awards are a tribute to architectural excellence. The award encourages a high level of architectural design, recognizes the clients and architects who have distinguished themselves, and informs the public of these important architectural contributions.

The Honor Awards Jurors included **Julie Eizenberg, FAIA**, founding principal at Koning Eizenberg Architecture, Santa Monica, California; **Sheila Kennedy, FAIA**, founding partner, KVA Matx, Boston, Massachusetts; and **Patricia Patkau, Hon. FAIA**, partner at Patkau Architects, Vancouver, British Columbia.

AIA Minnesota Honor Awards will be presented to recipients on Friday, December 2, at the 2016 Awards Dinner at International Market Square, at 275 Market Street in Minneapolis. The dinner will also honor AIA Minnesota's 2016 Gold Medal recipient, Robert C. Mack, FAIA, of McDonald & Mack Architects.

Other AIA Minnesota awards to be presented that evening: Young Architects Awards, Special Awards, 25 Year Award, Affordable Housing Design Award, and the Louis Lundgren Award.
