### **Braden Construction**

**See our work at Home 12**

Established in 1982, our focus has been on integrity, reliability, and quality. From luxury home projects or small remodels, to full scale commercial building projects, we monitor every detail that goes into your project. We'll be with you every step of the way, from the initial meeting with your architect, to smoothing out the final touches. We practice an open-book policy so you know exactly what you're paying for. Braden's crew of project managers, field supervisors, carpenters and support staff are dedicated to making certain that each of our building projects is done right. Braden Construction is one of the premier home and commercial builders and remodelers in Minnesota, Wisconsin and the upper Midwest.

### **Cambek Designer Doors**

**See our products at Homes 4, 9 and 12**

Cambek™ Designer Doors® is a premier manufacturer of fine custom garage and entry doors, and matching millwork. Cambek is the new name for a company that has been known for its superlative Designer Doors products for more than thirty years. Our new name is inspired by the word cambium, the layer of living tissue in trees which forms the annual growth rings. Driven by this spirit of renewal and growth, the Cambek team is intent on providing not only the finest garage and entry doors in the marketplace, but also the industry's most impressive customer service. Through sales, design, manufacturing and fulfillment, with every project our goal is to understand and create exactly what our client envisions, and then deliver on time and according to the needs of the project. Cambek is located in River Falls, Wisconsin, and sells nation-wide through architects and builders, and directly to homeowners.

### Mattson Macdonald Young

See our work at Home 17

Mattson Macdonald Young was founded in 1983 as a friendly, creative structural engineering firm with personality and a sense of humor. Our professional yet fun culture brings out the best in our staff, and gives our clients the innovative, sound, safe design solutions they need and want – often quickly and affordably. We are very hands-on, having plenty of exposure as well as first-hand experience in residential and commercial construction. With our diverse team, we've helped countless buildings, homes, and other structures be realized, with involvement in many different aspects of each.

### Mercury Mosaics

See our work at Home 16

Mercury Mosaics is a woman-run, tile-design & manufacturing enterprise based in Northeast Minneapolis. Shaped by a collective of creative, intelligent, passionate & hard-working craftspeople of vast backgrounds, Mercury Mosaics has evolved rapidly over the past 16-years. Now filling a massive, historic, light-drenched factory we are the global tile-trend makers!

Our aim is to add to meaningful, curated environments rich with color, texture and pattern through tile as a medium. We want our tile to be part of the backdrop of your life and your friend's lives. Deep down in today's fast-paced world, we know there are people out there that still admire and appreciate the beauty of objects made by dedicated craftspeople. Our story becomes your story - this is what we are made from and what we'll build into the future.

### White Oaks Savanna

Southeast corner of County Road 12 and  
Lake Elmo Avenue, Stillwater

Located four miles west of Stillwater amidst rolling hills, gentle valleys and quiet ponds shaded by ancient heritage trees, White Oaks Savanna™ is a beautiful, architecturally-driven residential community. With 200 acres of rare natural savanna reserved for 30 luxury custom home sites of 5-7 acres each, and 115 acres reserved for organic farming and farm-to-table enterprises, White Oaks Savanna offers an incomparable spirit of place.

Stop by during tour hours to enjoy refreshments, conversation with top architects and fine home builders and tour this 320-acre rare oak savanna landscape. On Saturday, we're extending our hours until 8:00 pm to allow tour visitors to end your day at the savanna while enjoying refreshments.
