Architecture MN Wins Four Minnesota Magazine & Publishing Association 2015 Excellence Awards

MINNEAPOLIS, MN Architecture MN won four awards at the 19th annual Minnesota Magazine & Publishing Association’s Excellence Awards, held November 12 in Minneapolis. The following awards were all in the publication category of General Interest Under 60,000 Circulation:

- **Gold** in Overall Design
- **Gold** in Cover Design (Jan/Feb 15, shown above)
- **Silver** in Overall Excellence
- **Silver** in Profile Article (“Design Partners,” May/Jun 15)

The judges made the following comments in giving the magazine the top honor in Overall Design: “Architecture MN demonstrates clean, modern design with strong visual and typographical elements. Well thought out feature composition and departments.” For the Gold award in Cover Design, the judges remarked that Architecture MN’s “clean, slim font follows the lines of the image and compliments the arch in the photo. That the type is set up like a building and it features a nice photo with movement.” Architecture MN’s editor is Chris Hudson, and its design firm is Tilka Design.

**About Architecture MN**

Architecture MN, the primary public outreach tool of the American Institute of Architects Minnesota, is published bimonthly to inform the public about architecture designed by AIA Minnesota members and to communicate the spirit and value of quality architecture to both the public and the membership. For more information, visit [architecturemn.com](http://architecturemn.com).
The Excellence Awards
The Minnesota Magazine & Publishing Association’s Excellence Awards recognize and foster outstanding publishing achievements. This competition includes categories in the areas of editorial, design, marketing, digital publishing, and overall excellence. The judges for the competition are from all aspects of the publishing industry.
