

CONNECT⁺INSERT

BUILDING UPON **EXISTING ASSETS** IN THE CITY, THIS PROPOSAL ACTS AS THE CONNECTIVE TISSUE TO UNITE, SUPPORT, COORDINATE AND EXPAND UPON WHAT THE CITIZENS AND BUSINESSES OF WILLMAR ARE ALREADY DOING.

BY OCCUPYING THE SPACE BETWEEN BUILDINGS, THE EXISTING STRUCTURES BECOME PARTICIPANTS IN A LARGER HOLISTIC WELLNESS APPROACH FOR THE CITY. THE STAFF ON HAND IN THIS NEW FACILITY COORDINATE AND MAXIMIZE THE IMPACT EACH OF THE EXISTING SERVICES HAS, WHILE ADDING MORE SERVICES, TRAINING OPPORTUNITIES AND EXPERIENCES.

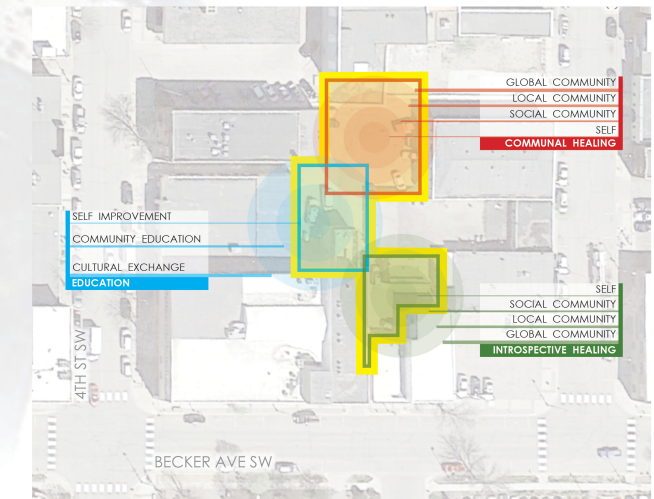

THE BLOCK WIDE **WILLMAR WELLNESS VILLAGE** HAS BOTH INTROSPECTIVE AND COMMUNAL SUPPORT AREAS TO MEET PEOPLE WHERE THEY ARE ON THEIR WELLNESS JOURNEY; SUPPORTED BY EDUCATIONAL SPACES TO HELP EXPAND THE COMMUNITY'S UNDERSTANDING OF THE DIVERSE WAYS IN WHICH PEOPLE SEARCH FOR HEALING. THIS APPROACH FOR WELLNESS IS ONE THAT FOCUSES ON EXPANDING AND UNITING THE EXISTING SERVICES, KNOWLEDGE, AND PRACTICES THAT ALREADY EXIST WITHIN THE COMMUNITY OF WILLMAR.
