Quality of Life = Sustainability

Four Environments

Minneapolis Design Team

June 2012
no vision
- groups move in various directions
- no plan or coordination

imposed vision
- plan without community involvement
- lots of energy expended
- no forward movement

GOAL
- community planning
- all groups acting in concert
- forward movement
- plans become reality

"it has to begin with total community cooperation..."

SHARED VISION

Minnesota Design Team

June 2012
When you get here......it begins
When you leave......it ends
"Where people are happy & proud to live here."
