

AIA Minnesota 2021 Virtual Awards Celebration

This annual celebratory event spotlights the best of Minnesota architecture and honors our vibrant architecture community. Join with us in lifting up the projects and people who help make this industry great.

With a virtual event this year, your sponsorship support means your brand is displayed on the screens of every event attendee (past attendance has ranged from 250-375 attendees). Plus, take advantage of new opportunities to help make the event a true celebration for all who join in. Each attendee will receive an Awards Celebration gift box sent to them by mail, containing a variety of goodies and treats. An enclosure card will feature the names of all sponsors who make this gift box possible.
