- 8:30** **Equity Discussion:**
- What actions can we take to make real change and move forward together- as architects, as women, as allies to people of color.
 - How do we establish strategic connections moving forward.
 - Can we partner with NOMA and AIA MN EDI Committee to create education/action programming?
 - Related discussion
- 9:00** **Conclude**

In all operations and activities of AIA Minnesota, members must avoid any discussions or conduct that might violate state or federal antitrust laws, or even raise an appearance of impropriety regarding topics of: prices for products or services, or prices charged by competitors; costs, discounts, terms of sale, profit margins or anything else that might affect those prices; allocating markets, customers, territories or products with competitors; limiting production; whether or not to deal with any other business; or any competitively sensitive information concerning a member’s own business or a competitor’s.
